★ Some products from Marton and Springfield stores are subject to availability.

\* Prices are based on price/tonne and are exclusive of GST. A full range of trace elements, including salt, are available.

FOR BALLANCE CUSTOMER SERVICES PHONE 0800 222 090

# ADDITIONAL INFORMATION

## Special mixtures

- Any combination of compatible products, including trace elements and other additives, can be blended prior to despatch to create a 'special mix'.
- Before placing a special mix order, please check product compatibility, especially for products containing nitrogen.
- Orders for special mixes should be placed at least two days before the required delivery date.
- Orders must be clearly marked with 'special mix' and the individual ingredients should be clearly stated in percentages or kg/tonne.
- Additional charges apply for special mixes. Please contact Customer Services on 0800 222 090 to confirm pricing on all special mix orders.

## Bagged fertiliser

Bagged fertiliser attracts additional fees as follows:

### 1000 kg Single-trip bags

Bag and filling fee \$20 per bag

### 500 kg Single-trip bags

Bag and filling fee \$20 per bag

### Poly Liners (500kg and 1000kg bags)

Each \$10 per bag

### 25 kg bags

Filling fee \$80 per tonne

### 40 kg bags

Filling fee \$60 per tonne

### All other bag sizes

Premiums apply. Please contact Customer Services for details.

Please allow a minimum of three days for bagging on non-standard product lines.

Ballance is offering a free service of reclamation for used bags and customers are invited to return their empties (in a clean condition) to their nearest Service Centre for recycling.

## Pallets

- Pallets uplifted from Ballance Service Centres will be charged at \$50 per pallet
- Pallets returned in good condition and with proof of purchase will be credited to the customer's account
- To avoid disappointment, any special arrangements for pallets should be clearly stated on the order.

## Ordering options

Orders can be placed in any of the following ways:

- Through your local Ballance Technical Sales Representative
- By phoning Customer Services on 0800 222 090
- Through your local Ballance Service Centre or consignment store
- Through our online ordering system
- Through your preferred rural supplier

To register for our online ordering system, phone Customer Services on 0800 222 090. You must be a transacting Ballance customer to register for this service.

Once placed, all orders remain valid for 6 months.

## Important information

- If product will not be spread immediately, it must be stored in clean, dry conditions.
- Products (whether in bulk or bagged form) should not be stored for a prolonged period.
- We recommend that products containing nitrogen are spread soon after uplift. Nitrogen-containing products may become hard and lumpy if stored for more than a short time.
- If you are unsure of the keeping qualities of your fertiliser blend, please seek advice from your Ballance Technical Sales Representative.
- Do not allow livestock to graze topdressed pasture until fertiliser has disappeared from the foliage.
- All Ballance products contain less than 270 g fluorine and 280 mg cadmium per kg of phosphorus.

## Chemical compatibility at a glance

The diagram below outlines the suitability of mixing any two of the main Ballance products, based on their chemical compatibility.

**Our full Terms and Conditions of Trade can be found online at [ballance.co.nz](http://ballance.co.nz)**
