

Accessing product safety data sheets on the Ballance website

Safety data sheets (SDS) for Ballance products are available on www.ballance.co.nz

To access these, follow these steps.

Step1: Along the top navigation bar on the website, click on **'Products'**

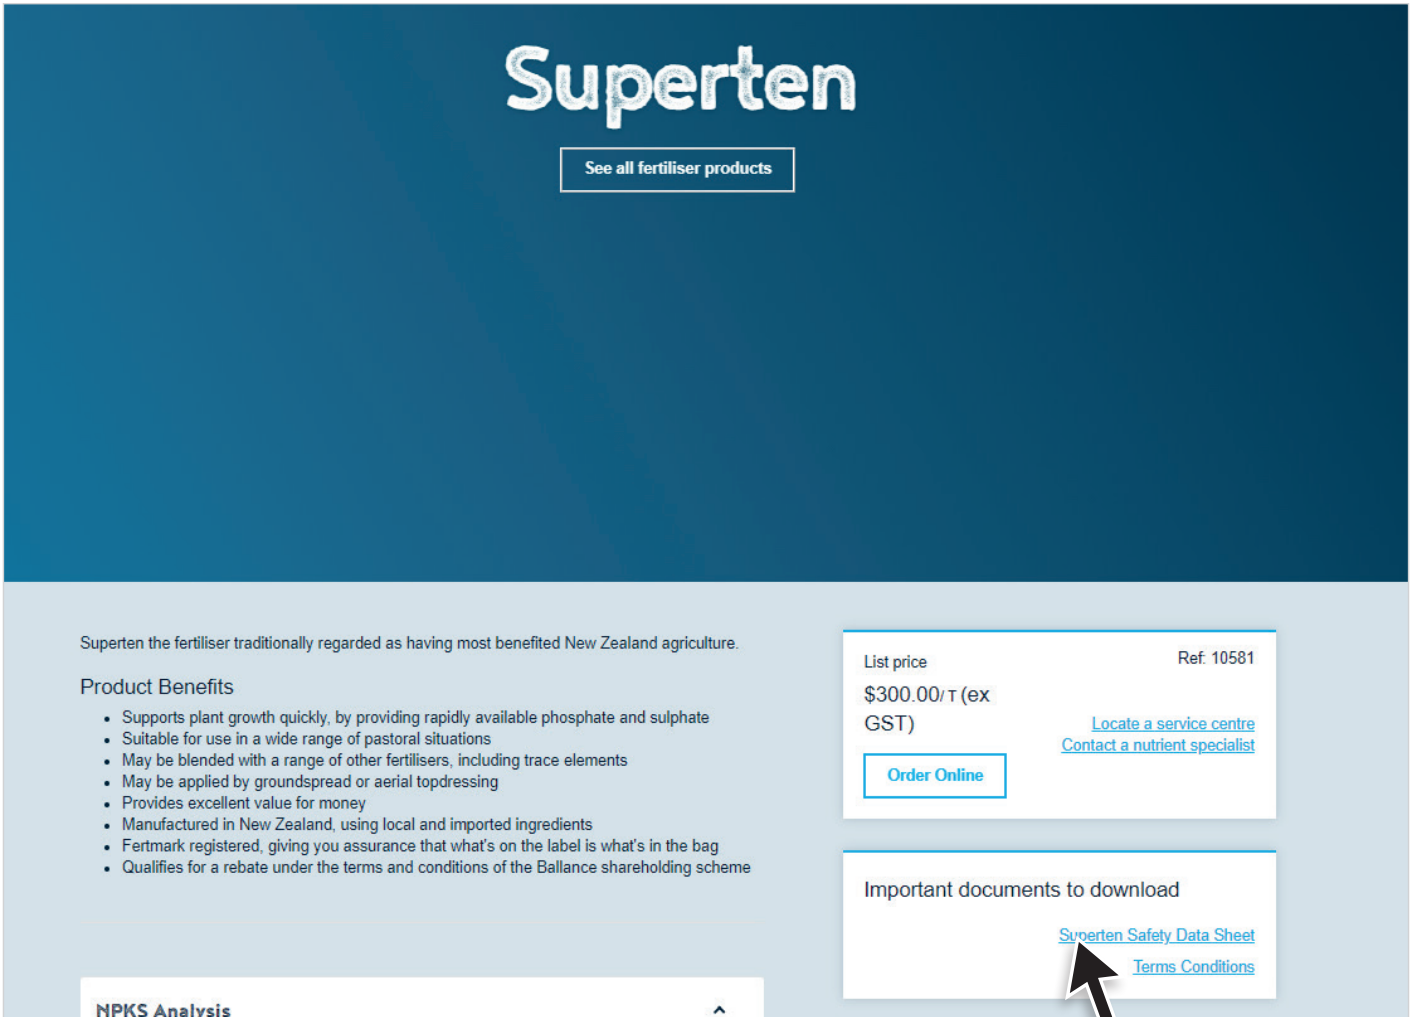

Then click on the product you are interested in (Note: If you click on **'All fertiliser products'** you will need to scroll down until you find the specific product you are interested in)

Step2: Once you have found the product you are looking for, click on **'Product details'**

Product Name	Price	N	P	K	S	Mg	Ca
20% Potash Sulphur Super	\$410.00	0.0	6.4	10.0	18.0	0.0	15.3

Sustain 15K	\$675.00	32.1	0.0	15.0	0.0	0.0	0.0
Sustain 25K	\$678.00	23.0	0.0	25.0	0.0	0.0	0.0
Sustain	\$661.00	49.9	0.0	0.0	0.0	0.0	0.0

Step3: Next, click on '**Safety Data Sheet**' on the right side of the page

Superten

See all fertiliser products

Superten the fertiliser traditionally regarded as having most benefited New Zealand agriculture.

Product Benefits

- Supports plant growth quickly, by providing rapidly available phosphate and sulphate
- Suitable for use in a wide range of pastoral situations
- May be blended with a range of other fertilisers, including trace elements
- May be applied by groundspread or aerial topdressing
- Provides excellent value for money
- Manufactured in New Zealand, using local and imported ingredients
- Fertmark registered, giving you assurance that what's on the label is what's in the bag
- Qualifies for a rebate under the terms and conditions of the Ballance shareholding scheme
